

SANGAMSHINDE

Frontend Developer

CONTACT

- (+91)9823448966
- sangampshinde@gmail.com
- Pune, India
- /sangamshinde
- /sangampshinde

SKILLS

- HTML5, CSS3
- JavaScript, DOM, BOM, AJAX
- jQuery, Bootstrap5
- React.js, Redux toolkit.
- Node.js, RESTful APIs.
- MongoDB, MySQL, XAMP.
- SQL
- Git, GitHub
- C, Python, TypeScript.
- Windows, Linux OS.

CORECOMPITANCIES

- Responsive Design and Cross-Browser Compatibility
- Debugging and Troubleshooting
- Performance Optimization
- API Integration and Development
- Scalable Architecture Design
- Component-Based Front-End Development
- Version Control and Collaboration
- Agile Development and Team Collaboration
- Database Design and Query Optimization

EDUCATION

- Bachelor Of Technologies (B.TECH)**
Computer Science and Engineering (CSE).
2023 | MGM's COE, Nanded.
CGPA 7.54
- Higher Secondary Certificate (HSC)**
2018 | NES Science College, Nanded.
63.08 % Percentage
- Secondary School Certificate (SSC)**
2016 | Priyadarshini Vidya Sankul Nanded.
81.40 % Percentage

CERTIFICATIONS

- Certificate in C programming**
(IIT Bombay) | 2020
- Associate in python programming Certificate**
(Infosys) | 2022

SUMMARY

Motivated Front-End Developer with internship experience in building responsive and dynamic web applications using **HTML5**, **CSS3**, **JavaScript**, and **React.js**. Proficient in designing user- friendly interfaces, optimizing performance, and **integrating RESTful APIs** for dynamic functionality. Collaborative team player with a strong desire to continuously learn and implement new technologies to improve efficiency and create seamless user experiences.

WORK EXPERIENCE

PREDRAG SYSTEM LLP

SOFTWARE INTERN | 17 March 2024 – Present.

- Developed **20+ responsive web pages** and dynamic **user interfaces** using **HTML**, **CSS**, and **JavaScript**.
- Built **15+ reusable components** and modular code with frameworks like React.js reducing development time by 25%.
- Optimized web applications to improve performance and scalability, resulting in a 40% reduction in page load
- Collaborated with cross-functional teams of 5+ designers and developers to deliver seamless user experiences across **6+ projects**.
- Integrated RESTful APIs** to enable dynamic content and functionality for web applications.
- Conducted thorough **testing and debugging**, resolving 95% of reported front-end issues before production.
- Managed Version Control for 6+ projects** and deployed 1 project on Server.
- Enhanced site interactivity through advanced **JavaScript** and **DOM manipulation**.
- Stayed updated with emerging web technologies, incorporating 5+ modern solutions like Tailwind CSS, TypeScript, and React Hooks into projects for improved efficiency and innovation.

PROJECTS

EDUCATIONAL COMPANY WEBSITE (Intern Project)

TOOLS: React.js, HTML5, CSS3, JavaScript, Bootstrap5, Node.js, MySQL, SQL.

- Designed and developed a responsive website to showcase educational services and resources
- Implemented dynamic content fetching using RESTful APIs and Node.js for real-time updates.
- Design Database Schema and SQL Queries for frontend features Like Blog and Image, real time data fetch.

EXAM AND NOTES WEBSITES (Intern Project)

TOOLS: HTML5, CSS3, JavaScript, Bootstrap5, Node.js, RESTful APIs. Database.

- Created an interactive platform for students to access and download exam materials and notes.
- Integrated secure RESTful API endpoints to manage user data and improve resource availability.
- Enhanced performance by reducing page load time by 25% through optimized front-end and back-end workflows.
- Implemented CRUD for many Features like notes and notice like operations.

SSM (Intern Project)

TOOLS: HTML5, CSS3, JavaScript, Bootstrap5, DOM, SQL, MySQL.

- Built a secure SQL database to store and retrieve user data efficiently, reducing access time by 40%
- Fix bugs related frontend and some of JavaScript related and improve and update some SQL queries.

PERSONAL PORTFOLIO

TOOLS: HTML5, CSS3, JavaScript, DOM, React.js

- Designed and implemented a visually appealing portfolio to showcase projects and technical expertise
- Developed "About Me" and "Project Cards" sections with a mobile-responsive interface.
